

1992 Mooney MSE - N201RP

Who's ready for some Mooney ZOOM! This beautiful 1992 Mooney M20J MSE is turn-key and ready to fly away with a new owner. This former ERAU airplane is higher time but extremely well kept. With newer paint and interior this airplane shows better than most of the lower time airplanes. Numerous upgrades, additional speed mods and a 1,030 LB UL make this an ideal IFR cross-country airplane.
