

1940 Porterfield Collegiate CP-65 – Classic Taildragger Charm

Step back into aviation history with this beautifully preserved 1940 Porterfield Collegiate. Known for its lightweight design and forgiving handling, this vintage aircraft is perfect for enthusiasts, collectors, or pilots looking for a truly unique flying experience.

Powered by a reliable Continental engine, this Collegiate offers smooth performance and classic stick-and-rudder flying at its finest. Fabric and wood construction showcase the craftsmanship of a bygone era, while its timeless design turns heads on every ramp.

Whether you're adding to a collection or chasing the romance of early general aviation, this Porterfield delivers nostalgia you can actually fly.

Listed at \$36,000
